Once again, this was a fabulous collection of group leaders. Deb Weiner Soule, Joy Close, and Ben Soule were all new, and outstanding, members of the staff. It was very helpful to have a second program coordinator this year. It is a two person work load, especially once we are on the Island. The addition of the position of Music Director, filled by Adrian Sicam, was overwhelmingly successful. All reports were glowing, both from staff and parents.

FYI:

There were 21 Young Adults who formed their own community, and were in attendance all week. There were an additional 8 young adults who came for only part of the week. This is a population we have been trying to grow, so I would deem this a very exciting turnout.

MISC. FOOLERY:

There were 27 Stewart-Williams family members present.

Also:

12 Bernd/Dowd; 11 Miller; 18 Trudeau-Griffiths; 12 Powsner; 10 Easter; 9 Prochaska.

There were 22 overnight guests, all affiliated with our conference community.

There were 37 past chairs present.

There were 98 offspring of past chairs present.
