

Council of Conferences

Ann Etter Reporting

The mission of the Council of Conferences is:

- To share ideas and best practices among the various conferences that meet on Star Island
- To study issues and make recommendations to the full Star Island Corporation Board, at its request
- To promote communication between delegates and conferees who are receptive and open to ideas, have perspective and vision, are familiar with Star Island, can provide a time commitment, and who prioritize Star Island universal citizenship.

In 2023 the CoC board underwent some significant changes. Our longtime board champion and chair- Sarah Gordon- stepped down due to life issues. A couple of board members ended their terms as well. The board is currently reviewing bylaws and purpose. Ongoing board members are Ann Etter, Ben Soule, and Mary Pietrusko. Leon Dunkley is our board liaison.

While the board met several times, there was no delegate meeting in 2023. We anticipate delegate meetings in 2024.

ASI, as a larger conference, generally sends two delegates to the CoC meetings. We will need to confirm who the delegates are for 2024.
