

2024 Report on the Council of Conferences

13 September 2024

During the 2023-2024 year, the CoC board met only once. Due to the changes that have taken place in the conferences over the past few years, the conferences have developed new ways in which to communicate. As a result, it was determined that the CoC was no longer needed and is therefore disbanding at the end of this year.

Respectfully submitted,
