Andy Bristol and Angel Russek have completed their two allowed three-year terms on the Executive Committee and Financial Aid Committee respectively. We thank them for their excellent service over the past six years. We hope the Nominating Committee can call on them again in the future.

Cory Easter was voted in last year and will be taking over as Treasurer starting this year, having completed his year of training with David Yermack. We thank David for his excellent service over the past six years, which included bringing the conference payment methods into the 21st century. We hope he will answer the call again in years to come.

Respectfully submitted by the ASI Nominating Committee, co-chairs Marlene Smurzynski and Ann Shanks Etter
